

The Men's Garden Club of Jacksonville, Inc., formed in 1945, is a not-for-profit 501(c)3 volunteer service organization

The Club's purpose is to expand gardening knowledge with fellowship while we enrich our neighborhoods and support the Jacksonville area by sharing our time and talents to better the community.

Membership is open to men & women interested in horticultural activities.

Most meetings are open to the public. Meetings include:

- Horticulture programs with a guest speaker discussing a variety of gardening topics
- Horticulture exhibits
- Plant exchange
- Committee reports
- Refreshments and fellowship
- The May meeting closes the year with a barbecue dinner for the members

In addition, the Club has occasional social events & workdays in gardens. Club members make presentations to other garden clubs & organizations and participate in their activities.
